

PLUS DI PRODOTTO

→ **Finitura in Solid Surface**

Materiale innovativo colorato in massa consente la libertà espressiva nel design delle forme. Elegante, vellutato al tatto, assicura alle vasche Albatros massima resistenza ed igiene.

Le superfici in Solid Surface sono antigraffio, anti-impronta, facili da pulire e completamente ripristinabili

PRODUCT PLUSES

Solid Surface finish

Innovative mass-colored material which allows maximum freedom of expression in shape design. Elegant and extremely velvety to the touch, this material ensures Albatros bathtubs the highest level of resistance and hygiene. Solid Surface surfaces are scratch-resistant, anti-fingerprint, easy to clean and completely restorable
