

PRODUCT LIST

Name FLUTES 15° D120 H475

Type pendent lamp

ID PC977

Description Flutes were initially designed as a collection of suspension lights for the interior spaces of a hotel. Their potential and utility value, however, far exceed the demands of the original project. As the name implies, the simple yet elegant conical shape is reminiscent of a flute. Taking the same inspiration, the stylized openings serve a practical purpose by allowing the light to be directed at various angles depending on which opening the cable is passed through. This provides numerous possibilities for combining the lights in intriguing compositions. Flutes are available in several colours. The collection comprises three lights, each with a different degree of bevel on the open end of the shade.

Technical description The craftsmanship applied in production follows in the centuries-old tradition and experience of master glassmakers. The precision crafting of hand-blown glass instills distinctive, enduring character and outstanding quality in all Brokis products. The glass shades are formed from multiple layers of molten glass, each of which is scrutinized by the master glassmaker prior to being blown into the mold. Up to 70% of the resulting quality is achieved in this stage of production. The metal reflector is manufactured through a unique metal stamping technique that has been proven over the course of millennia and involves spinning cold sheet metal on a rotating form. The history of this technology goes back to Celtic times. As with the glassmakers, the master metalworkers draw upon the tradition and experience that have been carefully passed down through the ages and give the final product exceptional added value.

Glass Colour

smoke grey - transparent glass	BAS	CGC516
opaline - transparent glass	BAS	CGC38
orange - transparent glass	BAS	CGC157

Glass Surface

glossy surface	ALL	CGSU66
----------------	-----	--------

Surface finish

iron - black matt powder coating	BAS	CCS846
iron - white matt powder coating	BAS	CCS845
iron - orange matt powder coating	BAS	CCS615

Canopy Surface finish

iron - black matt powder coating	BAS	CCSC619
iron - white matt powder coating	BAS	CCSC618
iron - orange matt powder coating	BAS	CCSC844

Cable colour

textile cable - black	BAS	CECL519
textile cable - white	BAS	CECL521
textile cable - dark grey	BAS	CECL520
textile cable - light grey	BAS	CECL1918
textile cable - orange	BAS	CECL801
textile cable - black US	BAS	CECL834
textile cable - white US	BAS	CECL835

Bulbs

230V, E27, 13W, 2700K, 700lm, RA90, 60°, DIM, White	BAS	CEB814
