

PRODUCT LIST

Name CAPSULA METAL CANOPY D700 H2000

Type pendent lamp

ID PC966

Description Capsula is a sophisticated and exhilarating light bearing resemblance to a plant cell or seed. The nucleus of the piece is a tubular triplex-glass LED light source, developed by Brokis, that transects the inner shade and translucent external shell to form a notional axis. The layering and overlapping of these three distinct components give rise to dramatic 3D optical effects. The end caps fasten the components together and serve as anchor points for the creative dual suspension straps, which also conceal the power cable and allow for variation in the final positioning of the light. The Capsula collection is offered in sets as well as individual lights that can be combined per customer requirements. From 2018, Capsula is fitted with special integrated connectors developed by Brokis to facilitate installation and cleaning.

Technical description The craftsmanship applied in production follows in the centuries-old tradition and experience of master glassmakers. The precision crafting of hand-blown glass instills distinctive, enduring character and outstanding quality in all Brokis products. The glass shades are formed from multiple layers of molten glass, each of which is scrutinized by the master glassmaker prior to being blown into the mold. Up to 70% of the resulting quality is achieved in this stage of production. No less attention to detail is paid in handcrafting the wooden elements of the light. Each piece is individually processed by the artisan in a series of strictly observed production stages. We take special care in selecting quality fine wood and ecologically friendly materials to treat it with.

Glass Colour

transparent glass	BAS	CGC23
smoke grey - transparent glass	BAS	CGC516
opaline - transparent glass	BAS	CGC38
amber - transparent glass	BAS	CGC515
yellow - transparent glass	BAS	CGC659
violet - transparent glass	BAS	CGC554
red - transparent	BAS	CGC45
blue - transparent glass	BAS	CGC544
orange - transparent glass	BAS	CGC157
pearl grey - opaline glass	BAS	CGC1916

Glass Surface

glossy surface	ALL	CGSU66
acid-etched both side surface (before CGSU67)	BAS	CGSU881

Colour of the inner glass

transparent glass	BAS	CGCI682
smoke grey - transparent glass	BAS	CGCI685
opaline - transparent glass	BAS	CGCI749
amber - transparent glass	BAS	CGCI686
yellow - transparent glass	BAS	CGCI681
violet - transparent glass	BAS	CGCI683
red - transparent	BAS	CGCI913
light blue - transparent glass	BAS	CGCI912
orange - transparent glass	BAS	CGCI938
pearl grey - opaline glass (CGCI1914) mat (CGSUI905)	BAS	CGCI1915

Glass Surface of the inner glass

acid-etched both side surface	ALL	CGSUI905
glossy surface	ALL	CGSUI906

Canopy Surface finish

iron - black matt powder coating	BAS	CCSC619
iron - white matt powder coating	BAS	CCSC618

Connection method

BROKIS Conector	BAS	CCM1019
-----------------	-----	---------

Cable colour

textile cable - black	BAS	CECL519
textile cable - light grey	BAS	CECL1918

Bulbs

24V, LED, 5W, 2700K, 273lm, RA80+, DIM	BAS	CEB1945
24V, LED, 5W, 4000K, 336lm, RA80+, DIM	BAS	CEB1946
24V, LED, 5W, 5000K, 356lm, RA80+, DIM	BAS	CEB1947

Dimmable version

RF system - Remote control version	ADD	CEDV1461
PWM signal	ADD	CEDV1459
1-10V	ADD	CEDV1460
DALI version	ADD	CEDV1458
AC phase-cut	ADD	CEDV1730
