CHAIN

Design Marc Sadler

Registered Design

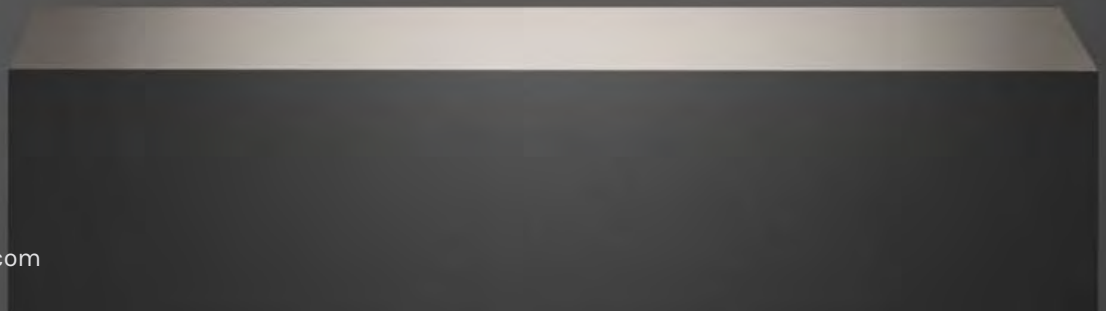

Chain è un sistema di corpi illuminanti a LED che si struttura come una catena. Disponibile con modulo doppio, il primo a elemento singolo e il secondo a tre elementi, Chain permette di realizzare composizioni articolate che connotano l'ambiente grazie al suo stile post-industriale.

Chain is a system of LED lighting features that is structured like a chain. Available with a double module, the first with a single element and the second with three elements, Chain allows articulated compositions to be created that characterize the environment thanks to its post-industrial style.
